

WEEK 31 (2021) – HEALTHPOINT

Hi All,

I am enjoying the evening off tonight to celebrate my daughter Lucy's birthday with my family. As I won't be around for my usual live slot, I thought I'd share one of my previous talks with you instead.

My most discussed and shared live talk was the recent HealthPoint™ presentation where I go into detail on how acupressure successfully treats over 130 health conditions, including pain problems, high blood pressure, stress and how it can even restore eyesight from Macular Degeneration.

Since I first shared this video live last month, I've been overwhelmed with the positive feedback from readers that have experienced life-changing results over the last 30 years with their HealthPoint™ Device (and new users in a matter of weeks!).

Whether you missed the initial presentation, or if you simply want a recap of all that was discussed, click on the video in the top right of this email.
